

EQUIPMENT CHECK SHEET – CHEMISTRY 1B

Locker Number _____ Combination _____ Section Number _____ Date: _____

I have received and checked the following equipment issued to me for use in Chemistry Lab and have found them in good condition except as indicated below. Any additional equipment will be checked out of the stockroom as needed.

I understand that I am responsible for all equipment I check out. Also, I understand that it is my responsibility to clean out my locker, clean the equipment and to check in the locker with the equipment to the chemistry stockroom.

Failure to comply with the above will result in an assessment of a laboratory cleanup fee (\$25.00).

I have read the above and understand fully my responsibility in Chemistry Lab
